

## **R 1-11-2      Suspension of Policy**

From time to time the Board may find it in the best interest of the school system to take action contrary to existing policy and in those circumstances it may suspend specified policy statements for only one meeting at a time and in the following manner:

- ❖ Upon a majority vote of the membership of the Board at a meeting in which the agenda includes the call for the proposed suspension has been described; or
- ❖ Upon a unanimous vote of ALL members of the Board when no such notice has been given prior to a regularly scheduled meeting.
