

R 1-13-5 Use of School-Based Accreditation and Performance Data

In accordance with the education goals of the State of West Virginia and the Board, school-based accreditation and performance data provided by the State Board of Education, as well as other data, will be used in Board decision making as follows:

- ❖ The Board will devote a portion of a February meeting to a presentation of individual school report card results and results of the district report card. The Board will also receive reports of other performance data including ACT and SAT information, Advanced Placement information and the college going rate.
- ❖ Other information, including but not limited to STEP testing results, attendance rates and WVEIS reports as requested by the Board will be utilized for goal setting and decision making.
