

R 11-31-5 Limiting School Access to Contractors and Service Providers

Contractors, service providers and their employees cannot have unaccompanied contact with students or unaccompanied access to school grounds when students are present unless the Board verifies that the aforementioned persons have not previously been convicted of a sex offense as defined in WVC §15-12-2.

It shall be the policy of the Preston County Board of Education to require contractors and service providers to verify the criminal records of their employees before the Board grants unaccompanied contact or access.

Where prior written consent is obtained, the Board may obtain information from the Central Abuse Registry regarding contractors, service providers and their employees for the purposes of this policy. Where a contractor or service provider gives his or her prior written consent, the Board also may share information provided by the Central Abuse Registry with other county school boards.
