

PRESTON COUNTY SCHOOLS

PARENTAL WAIVER of LIABILITY FORM

_____ School Term

I understand and agree that from time to time students may travel individually to school sponsored events and in those instances student participants and their parents are responsible for providing transportation to and from the event site. I also agree that in the event I provide transportation in my personal vehicle that I accept full responsibility for my child/children and hereby release the Board from any responsibility during the time of transportation.

I further acknowledge that in the event I do not provide transportation to these events for my child/children it is my responsibility to arrange alternative transportation with another responsible adult.

The Preston County Board of Education and its agents' liability are limited to the period from the student participant's arrival at the event site until s/he is dismissed from the event by the person in charge. All other liability for the participant's safety lies with the parent or his/her designated driver/chaperone.
