---	--

The Coordinator of Curriculum shall organize and be a member of the County Curriculum and Professional Development Council along with selected professional staff members. This council shall be fundamentally concerned with the development, evaluation, and recommendation of changes in the Comprehensive Education Program in Preston County. Consistent with the state plan, as appropriate the Curriculum Council shall appoint subcommittees which shall focus on the different areas of the curriculum. Where appropriate, these subcommittees shall cover grades K-12 and have representation from both the elementary and secondary schools.
